## Company Profile

## Our exclusive sales agents

Our exclusive agents for all sales both export, and within the UAE market is Steel masters International.

Steel Masters are a reputable steel trading house located in the Jebel Ali Free zone in Dubai.

Steel Masters are also the exclusive sales agents for BlueScope Steel Limited in the UAE.

## Home delivery

Most of our products can be ordered over the phone, or via our website, and delivered to your door, and assembled by our factory trained installers.

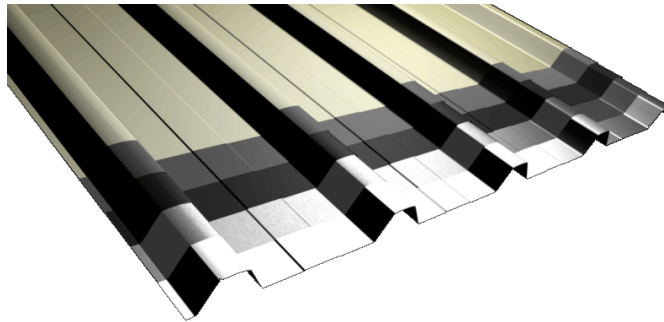

## Convenient payments

We accept most credit cards, and all of our products can be paid for on our website using safe and secure PAYPAL.

## Our Products

Our feature cladding product SmartClad is manufactured from genuine SMARTCOLOR® steel, which is produced by BlueScope Steel Limited, Australia's largest steel producer. As well as our SmartClad roof and wall cladding product, Dependable Steel manufactures a range of garden Sheds, and small industrial structures.

We are primarily a manufacturer but also complete specialist projects as they relate to our primary focus on light gauge steel.

## STEELBY™

Dependable Steel is a member of the BlueScope Steel Limited STEELBY™ program. The STEELBY™ logo that you see on our facilities, and products assures our customers that we use genuine BlueScope Steel stock to manufacture our products.

The program also allows us to maintain a close relationship with BlueScope benefiting from marketing, technical expertise and other support that BlueScope Steel offers its branding partners.

BlueScope, formally known as BHP steel, are world leaders in the manufacture of pre-painted steel, and light gauge steel products, and are Australia's largest steel manufacturer.

A number of famous brands such as Lysaght, Butler® manufacturing (Pre Engineered Steel Buildings), and Randbuild are owned by BlueScope.

## About Us

Dependable Steel is a premier manufacturer of light gauge steel products including roof and wall cladding, sheds, and other products.

## Our facility

Dependable Steels factory is a purpose built facility fully owned by Dependable Steel, and is located in the Ahmed Bin Rashid Port and Free zone in the Emirate of Umm Al Quwain, in the United Arab Emirates.

Our Industrial free zone license allows us to import and export free of all duties and taxes.

## Our activities

Dependable Steel manufactures range of light gauge steel products for the export and local GCC markets.

We specialise in the use of light weight, high tensile steel products.
